A very limited amount of financial support is available for team members who would find the financial obligation, a donation of \$125, difficult to meet.

If you desire financial support, please check here and you will be contacted regarding a possible partial or full scholarship. Please prayerfully consider working only one weekend per calendar year if financial support is needed. No one will ever be denied the opportunity to serve as a team member because of financial hardship.

NOTE: It is strongly suggested that Team Members not serve as Pilgrim Sponsors on the weekends they are working.

I recognize and affirm Jesus Christ as my personal Lord and Savior and have made a real commitment to try to direct my life to God. I am fully committed to pray for the Pilgrims and the Team. Additionally, I can commit to 30+ hours of team preparation meetings over a 4 week period prior to the weekend.
